

MDEStat Meeting

June 30, 2014

Table 1: Regional ZEV Action Plan Summary

Action #1: Promote the availability and effective marketing of all plug-in electric vehicle models in our states and support these efforts

Action #2: Provide consumer incentives to enhance the ZEV ownership experience

Action #3: Lead by example through increasing ZEVs in state, municipal, and other public fleets

Action #4: Encourage private fleets to purchase, lease, or rent ZEVs

Action #5: Promote workplace charging

Action #6: Promote ZEV infrastructure planning and investment by public and private entities

Action #7: Provide clear and accurate signage to direct ZEV users to charging and fueling stations and parking

Action #8: Remove barriers to ZEV charging and fueling station installations

Action #9: Promote access, compatibility, and interoperability of the plug-in electric vehicle charging network

Action #10: Remove barriers to retail sale of electricity and hydrogen as transportation fuels and promote competitive plug-in electric vehicle charging rates

Action #11: Track and report progress toward meeting the goal of 3.3 million ZEVs on our roadways by 2025

Table 2: Summary of ZEV Progress to Date

- a. Had internal MDE meeting to review Action Plan and develop strategy.*
- b. Developed a list of existing state activities that support the Action Plan.*
- c. A key infrastructure step is the DC fast charger program.*
- d. Briefing on Action Plan to EVIC at their 7/17 meeting.*
- e. Convening a State workgroup to address activities in the Action Plan.*
- f. The State workgroup will consist of MDE, MDOT, MEA, DBM, DGS.*
- g. MEA anticipates a July 1, 2014 release date for the EV infrastructure RFP.*
- h. Funding and partners:*
 - i. NESCAUM will be providing support for ZEV Action Plan*
 - ii. Working to identify funding-talking with MDOT for partial funding.*
 - iii. Working on contract and justification.*

Table 3: Asbestos Testing *(Continued on next slide)*

Test Date	Test Location	Type of Test (Worker or Supervisor)	Number Tested	Number of Spanish Speakers Tested	Number Passed
10/17/13	MDE	Supervisor	5	0	3
11/4/13	MDE	Supervisor, Inspector/Management Planner, Worker	10	0	10
11/5/13	MDE	Inspector, Project Designer	3	0	3
12/3/13	MDE	Worker	19	18	11
12/4/13	MDE	Supervisor, Inspector, Inspector/Management Planner	55	0	49
12/5/13	MDE	Supervisor, Inspector, Inspector/Management Planner, Project Designer	42	0	32
2/11/14	MDE	Inspector, Spanish Worker, Worker	75	64	54
2/12/14	MDE	Inspector, Inspector/Management Planner, Project Designer, Supervisor, Worker	90	0	87
2/25/14	MDE	Inspector/Management Planner, Spanish Worker, Supervisor, Worker	42	34	33

Table 3: Asbestos Testing *(Continued on next slide)*

Test Date	Test Location	Type of Test (Worker or Supervisor)	Number Tested	Number of Spanish Speakers Tested	Number Passed
2/26/14	MDE	Inspector/Management Planner, Inspector, Project Designer, Supervisor	58	0	46
2/27/14	MDE	Inspector, Inspector/Management Planner, Project Designer, Supervisor	64	0	63
3/18/14	MDE	Supervisors, Inspector Management Planner	66	0	65
3/19/14	MDE	Worker English & Spanish	58	53	55
3/20/14	MDE	Supervisors, Inspectors, Project Designers	49	0	49
4/8/14	MDE	Workers English & Spanish	58	57	30
4/9/14	MDE	Supervisors, Project Designers	87	0	53
4/10/14	MDE	Inspectors, Inspector Management Planners	30	0	30
5/6/14	MDE	Worker English & Spanish	108	82	96

Table 3: Asbestos Testing

Test Date	Test Location	Type of Test (Worker or Supervisor)	Number Tested	Number of Spanish Speakers Tested	Number Passed
5/7/14	MDE	Supervisors, Inspector Management Planner	64	0	48
5/8/14	MDE	Inspector & Project Designer	33	0	30
5/20/14	MDE	Supervisors, Inspector Management Planner	54	0	45
5/21/14	MDE	Worker English & Spanish	72	65	62
5/22/14	MDE	Inspector & Project Designer	22	0	22
