Management and Leadership

Environmental Policy Statement

GreenDrop is committed to reducing its impact and continue the green mission of educating students and the community preserving our environment, promote community involvement and enable individuals to directly participate to help American charities. The mission of GreenDrop is clear and good to repurpose, recycle and help others.

GreenDrop works on behalf of national charities such as the American Red Cross, the Military Order of the Purple Heart and the National Federation of the Blind to raise critical funds for their causes through the generation and collection of donated clothing and household items. GreenDrop strives to continually improve our environmental performance.

Signed: Michelli Drish

Title: Community Development Coordinator

Environmental Team

The GreenDrop team meets annually to discuss ways to streamline operations and logistics to reduce the use of fuel and decrease environmental impact.

Environmental Restoration or Community Environmental Projects

GreenDrop provides educational presentations stressing the importance of recycling and environment preservation to elementary, high schools and middle schools in conjunction with the school's earth day and/or community clothing donation drives.

Waste

Solid Waste Reduction and Reuse

Through the collection of donated items from communities GreenDrop collects roughly 100 tons of clothing per week preventing these items from entering landfills.

Recycling

GreenDrop recycles clothing, shoes, toys and small household items by the skid or truckload saving thousands of dollars to community's trash costs by recycling these items and reusing them throughout the community.

Transportation

Efficient Business Travel

GreenDrop conducts remote staff meetings through teleconference to reduce the use of fuel saving approximately \$8,000 per year.

Help build a greener, more sustainable Maryland through voluntary practices that reduce environmental impacts and save money.
