# CHESAPEAKE BAY ROASTING COMPANY

SUSTAINABILITY LEADERSHIP AWARD WINNER

2021

The Chesapeake Bay Roasting Company creates high quality coffees while supporting environmental preservation and the health of the Chesapeake Bay.

## Environmental Achievements:

- Purchases Organic, Fair Trade and Bird Friendly certified coffee beans and actively engages with global and local supply chain to address environmental impacts.
- Worked with Bird Friendly certified coffee suppliers to eliminate plastic bag liners.
- Reduced plastic film waste in packaging process.
- Reduces transportation impacts by streamlining delivery routes, consolidating shipping orders, purchasing from local suppliers, implementing vehicle oversight technology, and expanding work-from-home options.
- Collects coffee grounds for composting.
