

MARYLAND GREEN REGISTRY

LINGANORE WINECELLARS

SUSTAINABILITY LEADERSHIP AWARD WINNER

2022

Linganore Winecellars is a family-operated vineyard located on 230 acres of rolling countryside near New Market, Maryland.

Environmental Achievements:

- Installed 724 solar panels which provide enough energy to power the entire operation.
- Installed solar-connected EV charging stations and Tesla EV chargers.
- Installed skylights that have eliminated electric light use in the processing room and upgraded all lighting to high efficiency LEDs.
- Reduced weight of wine bottles by 20%, or 55 tons per year, lowering the environmental impacts of shipping.
- Repurposes or composts all grape pulp.
- Collects and reuses water in the bottling line.
- Repurposed barn wood to build tasting room.
