MARYLAND PUBLIC TELEVISION

STATE AGENCY ENERGY AWARD WINNER
2022

Maryland Public Television is the Public Broadcasting Service network that comprises six member stations that broadcast throughout Maryland and surrounding areas.

Energy Achievements:

- MPT reduced its energy agency-wide use nearly 23% from FY20 to FY21 resulting in annual emissions reductions of 600 tons of CO₂, equivalent to removing 130 gas-powered cars from the road for one year.
- MPT replaced five air handling units with new high efficiency units.
- The transmitters at all six transmitter sites have been replaced with new transmitters that are 30 to 40% more energy efficient.
- MPT started and completed the Capital Project-Expansion of Studio A-The Kaplan Studio which is LEED Certified Silver.
