Environmental Policy Statement

Gregg Home Services is committed to reducing its impact on the environment. We will strive to improve our environmental performance over time and to initiate projects and activities that will further reduce our impacts on the environment. Our commitment to the environment extends to our customers, our staff, and the community in which we operate. We are committed to:

- *Comply with all applicable environmental regulations;*
- *Prevent pollution whenever possible;*
- *Train our staff on our environmental program and empower them to participate;*
- *Communicate our environmental commitment and efforts to our customers, staff, and our community; and*
- *Continually improve over time by striving to measure our environmental impacts and by setting goals to reduce these impacts each year.*

Waste

Recycling

- *All on site packaging materials will be recycled at the client's residence. If they are not compliant with recycling, then the material will be transported to the Anne Arundel county facilities. Cost savings will benefit the refuse volume of the city and/ or county.*
- *All paper and plastic and glass and metals will be recycled.*

Hazardous Waste/Toxic Use Reduction

Water soluble products will be used on all applications. Oil-based paint products will be used as a primer only to seal water damage. Aggressive paint chemicals for stripping coatings will be avoided.

Energy

Energy Efficiency

We have installed LED lighting and maintain the HVAC system with annual checkups. We use programmable thermostats.

Transportation

Fleet Vehicles

We buy used vehicles and keep them in good operation.

Employee Commute/Customer Travel

50% of the employees live within the zip code.
