**INDIVIDUAL OIL OPERATIONS PERMIT APPLICATION
FORM D**

Solidification of Oil Sludge, Refuse, and/or Oil Mixed with other Waste

- A. Zoning classification where the proposed oil solidification facility is to be located:_____
- B. Attach signed letter from the county verifying that the oil solidification operations at this location meets all zoning and land use requirements (See FORM G).
- C. If operations at this facility include the management of used oil, in accordance with 40 CFR 279.1, identify the type of facility you are operating (check all that apply)
- | | |
|-------------------------------------|-----------------|
| _____ transporter/transfer facility | _____ marketer |
| _____ processor/re-refiner | _____ generator |
- D. Provide an operations manual for review and approval that explains the oil solidification process and includes, but is not limited to, the following:
1. Description of the proposed solidification process activity, including origin of oils to be solidified, monthly production volume, and the materials to be used for the solidification process.
 2. Description of the containment area or containers to be used for oil solidification. Containment area or containers shall not be exposed to storm water and shall provide preventative measures for the release of oil to "Waters of the State."
 3. Description of all analytical testing to be obtained to ensure the oil sludge, oil refuse, and/or oil mixed with other waste, does not contain a hazardous substance as defined in Environment Article, Title 7, Annotated Code of Maryland. A generator waste certification form and a copy of all forms to be used for the prescreening and acceptance of oil sludge, refuse, and/or oil mixed with other waste by your facility shall be included.
 4. Description of the method of disposal of the solidified oil sludge, refuse, and/or oil mixed with other waste. NOTE: OIL SOLIDIFICATION MATERIAL IS NOT CONSIDERED TO BE OIL-CONTAMINATED SOIL.

**OIL OPERATIONS PERMIT APPLICATION
FORM D (continued)**

5. A to-scale diagram of the facility showing locations of: aboveground storage tanks, storm drains, buildings, property lines, and oil solidification area/containers.
Adjacent property owners must be identified.

Application is hereby made to the State of Maryland, Department of the Environment, Land and Materials Administration for an Individual Oil Operations Permit for the operations and activities described on the forms being submitted. I certify that I am familiar with the information contained in this application, and that this information is true, complete and accurate. I further certify that, in accordance with Environment Article § 4-405(b), Annotated Code of Maryland, I have requested and am providing with this Application, written confirmation from the county that the oil operations business at the location identified on the *Individual Oil Operations Permit Application General Form* meets all zoning and land use requirements for that county. I understand that the inclusion of any false or misleading information, or the exclusion of required information in this Application, may cause the Administration to issue an Administrative Complaint seeking civil penalties in accordance with Environment Article § 4-412 and § 4-417, Annotated Code of Maryland, and may include the suspension or revocation of any permit or license issued. I further understand that failure to notify the Administration of oil spills or leaks, regardless of size, is a violation of Sections 4-401 through 4-420 of the Environment Article, Annotated Code of Maryland, which may also subject me to an Administrative Complaint and civil penalties.
