& MENTAL HYGIENE

Asthma Hospitalization Rate by County

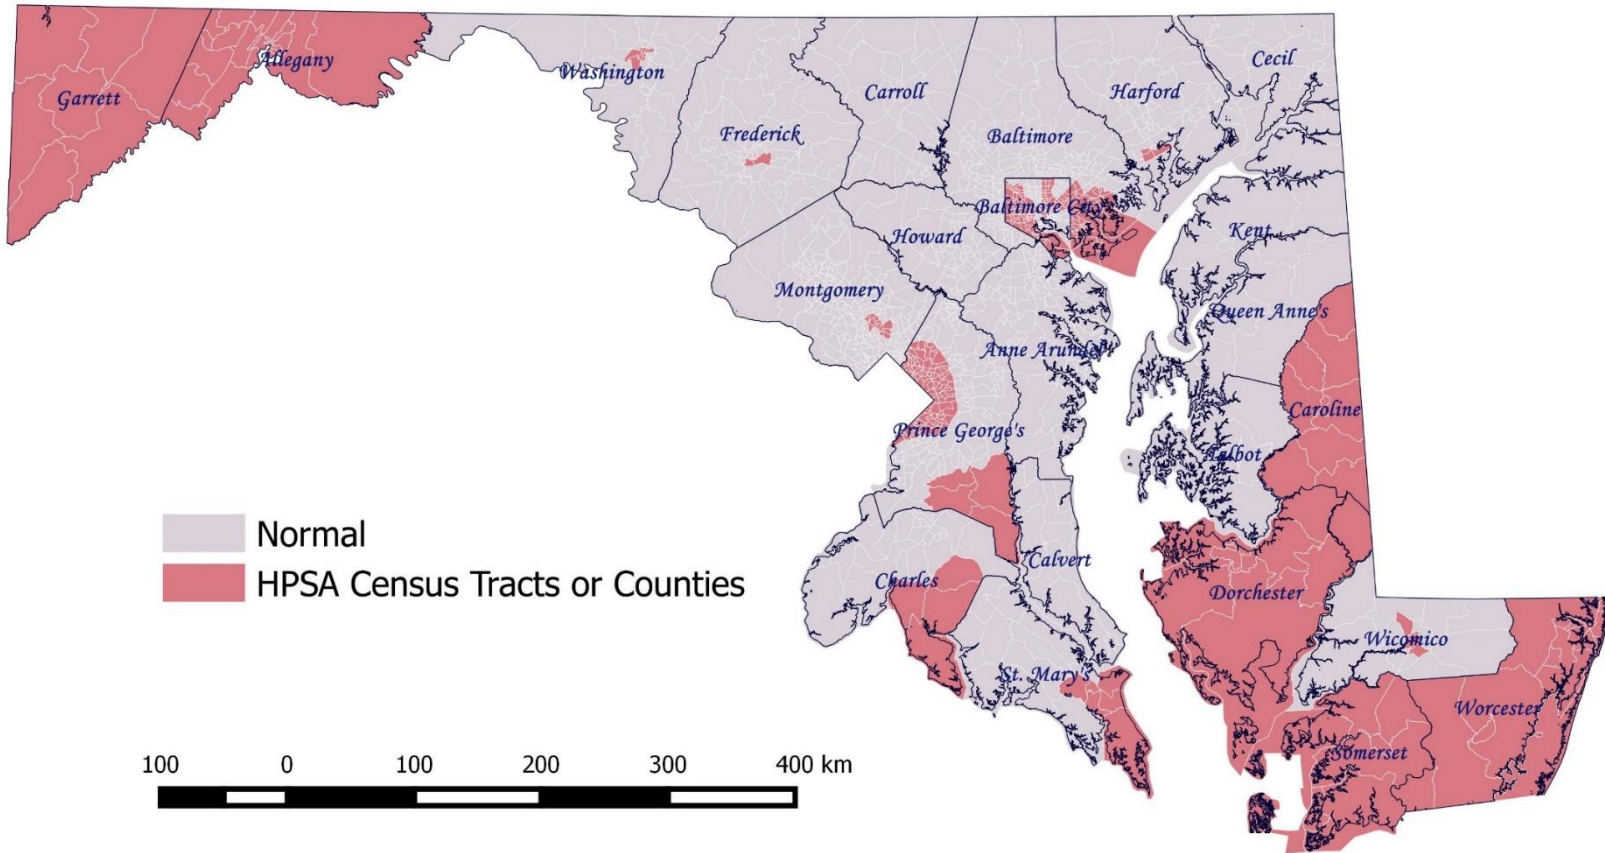

Percent Minority Population by Census Tract

Health Professional Shortage Areas

Summertime Asthma Hospitalization Rate by County

2010

2040

Vulnerable populations:

Identified in the 2016 Climate and Health Profile Report

Ethnicity

- Non-Hispanic blacks
- Non-Hispanic whites

Geographical

- Coastal communities
- Baltimore City
- Baltimore City, PG, Washington

Other

- Health Care Shortage Areas
- Poorly maintained roads

Current work

PARTNERS:

- Maryland Environmental Health Network
- Minority Office of Technical Assistance (Office of Minority Health)
- ARWG
- ECO
- Eastern Shore Climate Adaptation Partnership
- PG and AA County School system
- **Always looking for more collaborators**

ACTIVITIES & EVENTS

- Building Resilient Communities in Maryland: A Stakeholder Forum (Dec. 9, 2016)
- Climate Change and Environmental Health in Maryland shared google calendar
- Healthy Anne Arundel health fairs
- Conferences and workshops
- Planning listening sessions across MD
- Possible 2 day regional meeting this fall.
