MDE RX 10

MACHINE DATA
Groups 1 and 5

MDE Machine Number / Tube S.N. _____

Date Manufactured _____ Facility Registration Number -

Name of Facility _____

Begin Inspection // Inspector License No. _____

Describe the machine _____

Describe the use of machine _____

Maximum energy of the machine _____

Are radioactive materials produced incidentally in the operation of the machine? YES NO

Radiation machine must meet regulations: COMAR 26.12.01.01 A.4, D.101, D.201, D.202, D.206, and J.11 – J.17.

In addition, the following machine types must meet the listed regulations:

MACHINE TYPE	COMAR 26.12.01.01
Analytical X-Ray Equipment	All of Part H
Industrial Radiography Machines	E.4, E.5, E.31, E.45, E.73, E.89, E.101
Particle Accelerators	All of Part I
