Dear Mr. Ralston:

Enclosed please find the requested Private Supply Well charts depicting MTBE (Methyl tertiary-Butyl Ether), benzene, and total BTEX (benzene, toluene, ethylbenzene, and xylenes) concentrations over time. Properties with no historical detections of the compounds listed above are not charted and a list of these properties is enclosed. As requested, these charts are updated and delivered annually.

Please feel free to contact us at 410.850.0404. If you have questions or require additional information.

Sincerely yours,
