

**FINAL**

**Comment Response Document  
Regarding the Addendum and Revised Point Source Technical Memorandum to the Total  
Maximum Daily Loads (TMDLs) of Nitrogen and Phosphorus for the Upper and Middle  
Chester River Kent and Queen Anne's  
Counties, MD**

The Maryland Department of the Environment (MDE) has conducted a public review of the proposed Addendum and Revision to the Point Source Technical Memorandum to the Nitrogen and Phosphorus TMDL for the Upper and Middle Chester River. The public comment period was open from October 24, 2013 through November 25, 2013. MDE received no sets of written comments during the public comment period.
