**Comment Response Document
Regarding the Total Maximum Daily Load (TMDL) of Fecal Bacteria for the Patuxent
River Upper Basin in Anne Arundel and Prince George's Counties, Maryland**

The Maryland Department of the Environment (MDE) has conducted a public review of the proposed TMDL of fecal bacteria for the Patuxent River Upper watershed. The public comment period was open from August 17, 2010 through September 15, 2010. MDE received no written comments.
