

*UTC, HOAs, and WIP*

A photograph of a tree branch with large green leaves and a cluster of acorns. The text "Why care about UTC?" is overlaid on the image.

*Why care about UTC?*

*What counts as UTC?*

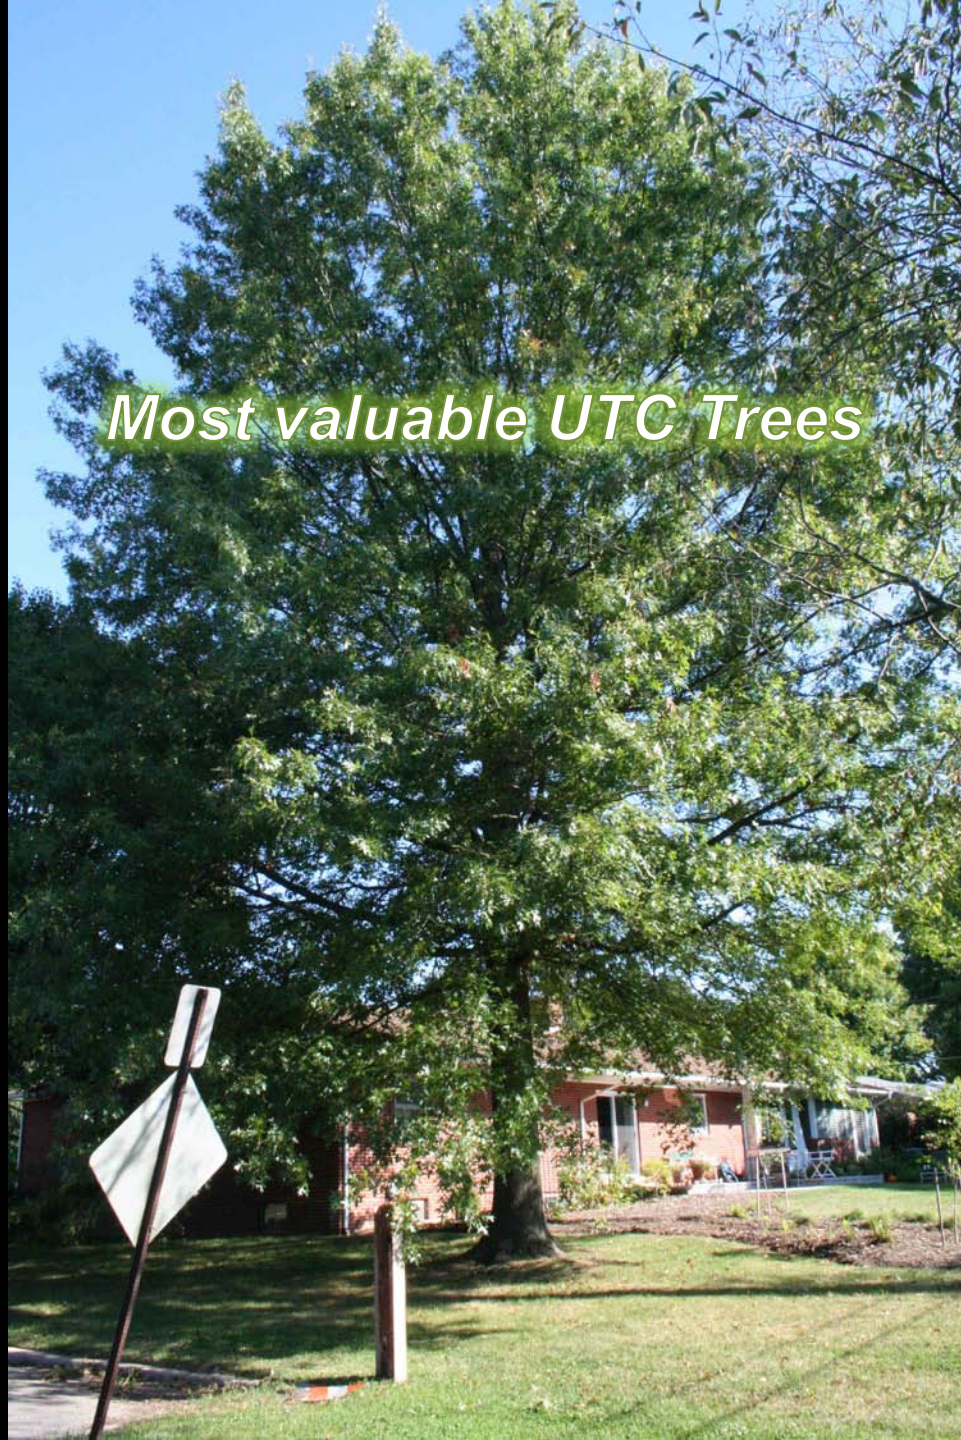

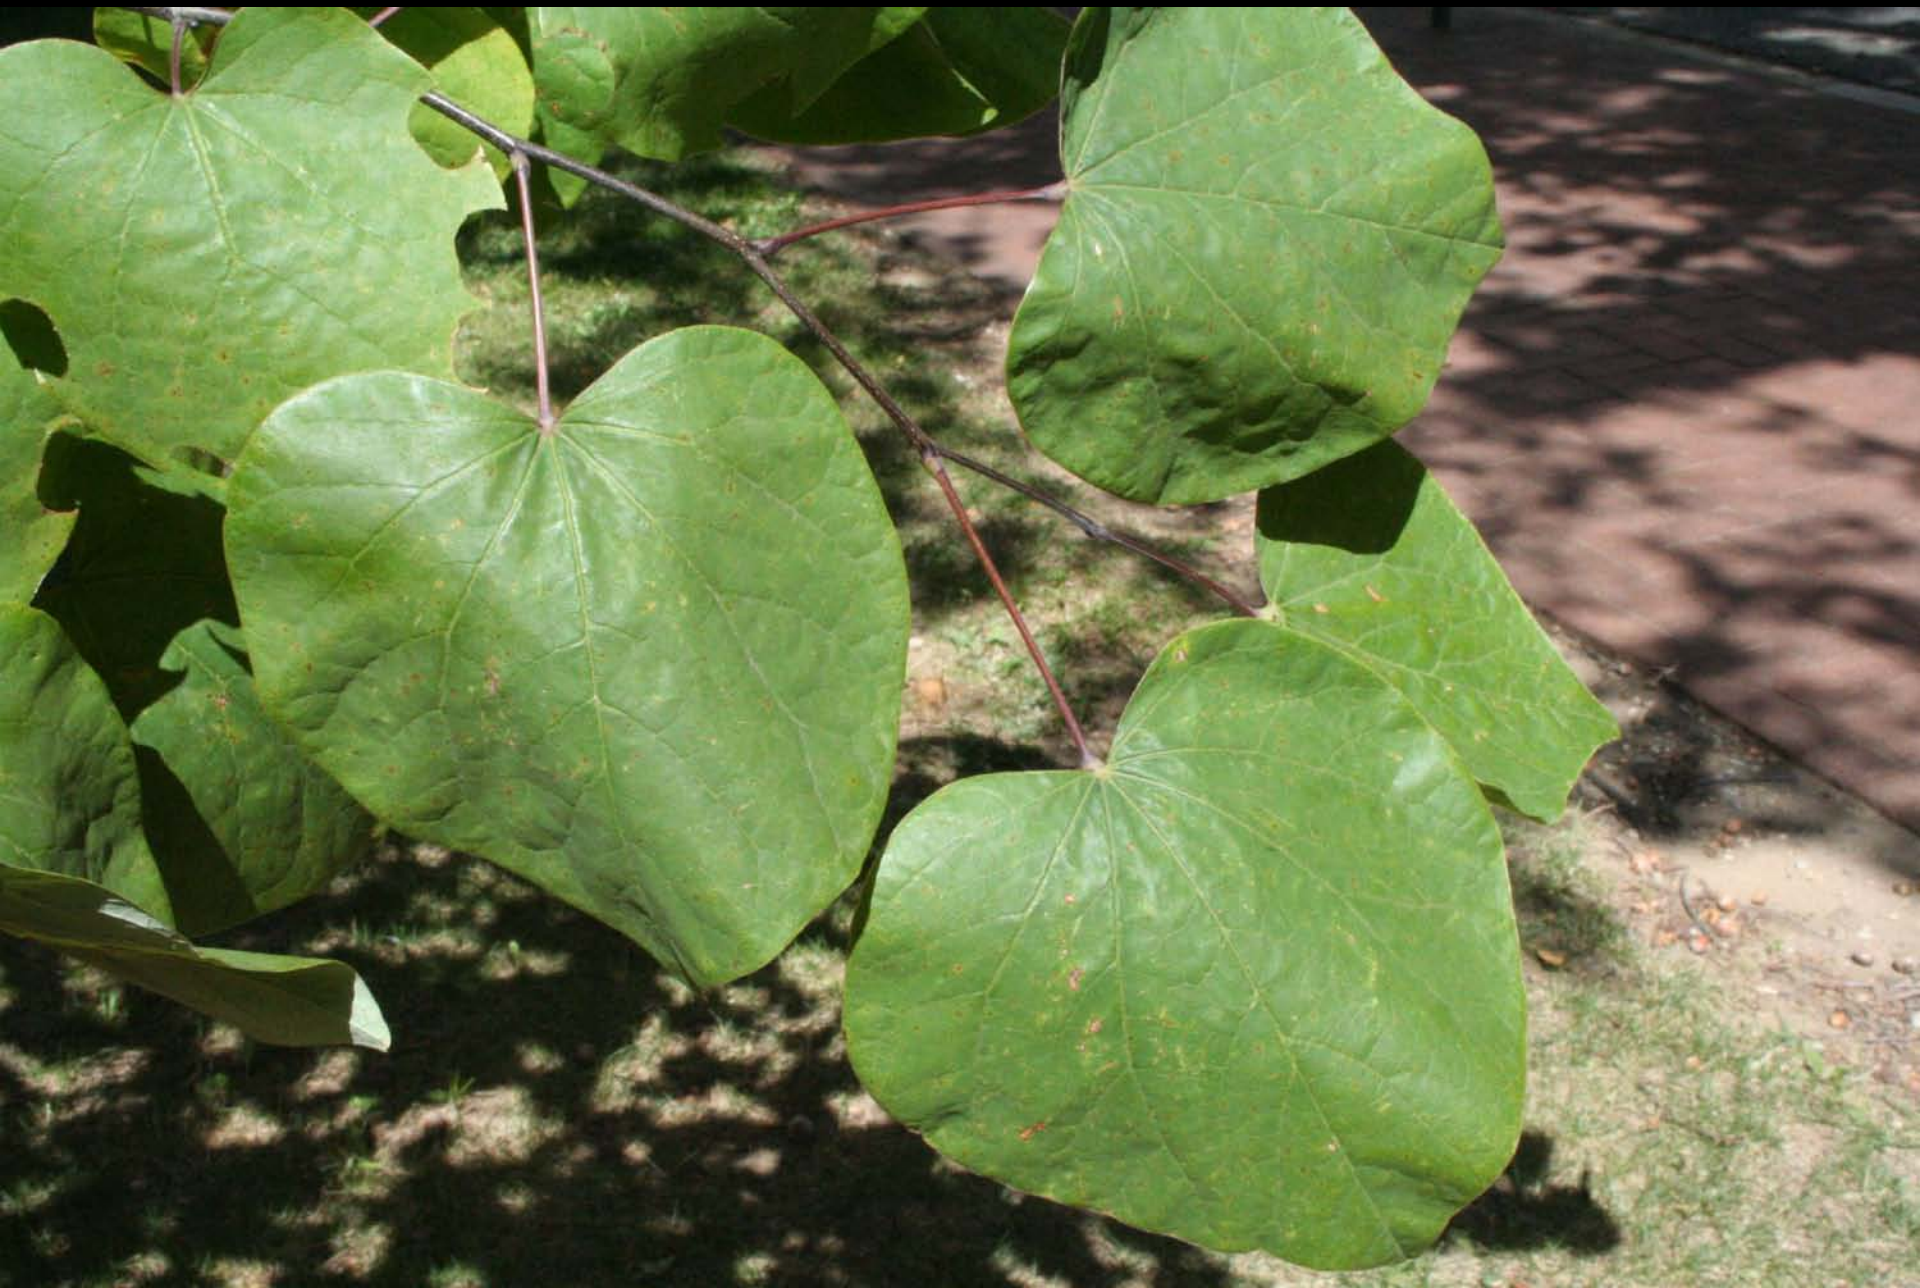

*Most valuable UTC Trees*

*How much space?*

*The importance of soils...*

A close-up photograph of green leaves and a seed pod on a tree branch. The leaves are vibrant green with serrated edges. A single, elongated, light-colored seed pod hangs from a branch. The background is blurred, showing a street with a car and a building. The text "UTC for the City of Frederick" is overlaid in white with a green glow.

*UTC for the City of Frederick*

*Where to plant?*
