

Maryland Interagency Review Team (IRT) Meeting Schedule and Deadlines

The Maryland IRT follows the Mitigation Banking process to review documentation for the establishment, operation, protection, maintenance, and management of mitigation banks as outlined in 33 CFR Part 332 Compensatory Mitigation for Losses of Aquatic Resources.

The IRT welcomes the opportunity to provide input on your proposed bank prior to you moving forward with a site meeting or a Draft Prospectus. The IRT will accommodate project presentations on a first come, first serve basis. IRT meetings are generally held on the first Tuesday of the month (with a few exceptions) and begin at 8:30 am. Meetings are currently being held virtually. Meeting dates shown below are tentatively scheduled and may be subject to change. Please note that meetings are closed to the public.

If interested in being added to the IRT agenda, the bank sponsor must send a completed “IRT Meeting Request Form,” along with all materials to be presented or discussed to Kelly Neff at kelly.neff@maryland.gov. This form may be found on the MDE Wetlands and Waterways Program website <https://mde.maryland.gov/programs/Water/WetlandsandWaterways/AboutWetlands/Pages/mitigation.aspx>, on the Baltimore webpage in RIBITS, or on the Baltimore District Regulatory website at: <http://www.nab.usace.army.mil/Missions/Regulatory/Mitigation/>. For additional information, please contact Kelly Neff at kelly.neff@maryland.gov or 410-537-4018.
