To: "elder.ghigiarelli@maryland.gov" <elder.ghigiarelli@maryland.gov>

I am contacting you because I strongly support for relicensing Conowingo Dam. I feel it is important to make sure that Conowingo Dam, Maryland's largest source of renewable electricity can continue to provide energy and operate safely and reliably, while working with key stakeholders to ensure the long-term health of the Lower Susquehanna River and the Chesapeake Bay.

Relicensing should be a separate issue from the sediment and efforts to mitigate this issue.

Arthur H. Walz Jr., P.E.
