Ms. Heather Nelson,

The Maryland Department of Natural Resources and implementation partners are submitting the required documentation to obtain a Water Quality Certification for the Jabez Tributary 3 restoration project. The proposed project is located near 1510 Jabez Run Road, Millersville, Anne Arundel County, Maryland, in Jabez Branch, Tributary 3 and will restore impaired hydrological, hydraulic, geomorphic, physiochemical functions of a portion of Jabez Branch, Tributary 3, and adjacent nontidal wetlands.

The project proponent hereby certifies that all information contained herein is true, accurate, and complete to the best of my knowledge and belief. The project proponent hereby requests that the certifying authority review and take action on this CWA 401 certification request within the applicable reasonable period of time.
