

December 1, 2022

The Water and Science Administration has received the applications listed below. A preliminary review has indicated that the listed projects may be subject to the opportunity for a public hearing once the application is substantially complete. Projects may be significantly altered during the review process. The applications and related information are available for inspection and copying. You may also request written notice of any hearing opportunity by having your name placed on the interested persons list for each project in which you are interested. To inspect the file or to have your name placed on the interested persons list, contact the assigned division at the telephone number indicated below no later than Saturday, December 31, 2022.

Water Supply Program - (410) 537-3590

County: Wicomico

WI2022G002/01: Perdue AgriBusiness LLC has applied to appropriate and use an annual average of 20,000 gallons of groundwater per day (gpd) and an average of 28,000 gpd in the month of maximum use for a potable supply and sanitary facilities. Water will be withdrawn from six wells in the Manokin aquifer. The project is located at 6906 Zion Church Road, Salisbury, Wicomico County, Maryland.
